ATTN: Certificate of Correction Branch

July 24, 2008

Sir:

It is respectfully requested that a Certificate of Correction be issued in order to correct an error made by the applicant, as specified in the attached copy of the Certificate of Correction form (PTO/SB/44).

The requested change to the title is to correct a typographical error in the Amendment Under 37 CFR 1.312 filed June 6, 2008. The requested amendment to the title should have changed "Lighting Device" to -- Illumination Apparatus --, which is consistent with the text of the specification and claims.

Inasmuch as the error of applicant is minor in nature, occurred in good faith, and is not believed to constitute new matter or require reexamination, issuance of a Certificate of Correction is respectfully requested.
